

INFORMATION ON TRAVEL TO THE DAIMLERCHRYSLER COMPLEX

This is a compilation of important information for people attending the EPA MSTRS meeting on Wednesday, October 11, 2000, at the DaimlerChrysler Complex in Auburn Hills, MI.

Location:

The DaimlerChrysler Auburn Hills Complex is located 30 miles north of downtown Detroit, in Auburn Hills, Michigan. The site is reached via I-75 from the north and south and M-59 from the east and west. It is located northeast of the intersection of I-75 and M-59 and is identifiable by a 15-story office tower.

For attendees flying into Detroit Metropolitan Airport(DTW) -

The airport is at least one hour's driving time from DaimlerChrysler headquarters. (See Map "Detroit Metro Area Offices - to Detroit Metro Airport" - directions on top.) Note that traffic congestion can frequently lengthen the driving time substantially so it is advisable to arrive the night before the meeting.

Commuter Express Transportation offers shuttle service to Auburn Hills area hotels. Shuttles depart within 30 minutes of your check-in at their counter between 7:00 am and 11:30 pm. Tickets for the shuttle can be purchased at the Commuter Express Transportation desk in the baggage claim area of the airport terminal. Shuttle prices are approximately \$44.00 one way, \$86.00 round trip. Reservations can be made by calling (734) 941-3252, or 1-800-488-7433. For the return trip to the airport, Commuter Express Transportation will pick you up at the DaimlerChrysler headquarters lobby. However, you must purchase separate one way tickets, one to the hotel, and another one from DaimlerChrysler. **Please confirm shuttle drop off and pick-up locations**, schedules and prices when making reservations. For those renting a car see the attached map for directions from the airport.

Arriving at the DaimlerChrysler Complex:

Attendees staying at the Holiday Inn Select in Auburn Hills will be shuttled to and from the DaimlerChrysler Tech Center by volunteers from DaimlerChrysler Regulatory Affairs staff. The morning shuttle will run approximately every 15 minutes from 7:30 am until 8:45 am. Please watch for the van with "DCTC Shuttle - EPA MSTRS Meeting" in the window. Attendees returning to the hotel will be shuttled back following the meeting.

For attendees driving to DaimlerChrysler -

North or south on I-75, exit at DaimlerChrysler Tech Center (Exit #78). Continue straight through the first and second traffic signals on Chrysler Drive East along the tree-lined boulevard to the third signal and turn right. Visitor parking Lot 12 will be immediately on your left. A shuttle that regularly services the lot (approx. every 5 minutes) will pick you up at your car. Let the shuttle driver know that you want to be dropped off at the **Headquarters** lobby entrance.

Visitor parking is also available in a parking structure adjacent to the tower, but it is usually full. To enter the visitors parking structure, turn right at the second traffic signal (see above).

Please see the attached map (map is in Acrobat Reader - if you cannot print it, please call Sharon Ruzyski at 248-576-8075 and she will fax you a copy).

Security:

There will be a check-in table in the Headquarters Lobby for MSTRS attendees. You must register at the table where you will be given a visitors electronic entry card, and will be directed to conference room 1A where you will receive your MSTRS name tag and meeting information.

Dining:

The Headquarters cafeteria is open from 7:00-8:30 am for breakfast and 11:00 am-12:30 pm for lunch and is available to visitors.

EMERGENCY CONTACT PHONE NUMBERS:

(248) 576-8053 - Gordon Allardyce
